

## Halloween Tone Poem Composition

### Directions:

Be a composer like Camille Saint-Saens! You will write a Halloween poem that is 5 lines long and uses descriptive language. Once Mrs. Kadow approves your poem, you will create a 4 measure composition inspired by your poem. You may use both the black and white keys if your xylophone has them.

Poem: (write your poem on the lines below.)

Spooky howl sound the call,  
The wolves are ready to hunt.  
They go through the villager to eat.  
They gobble up everyone.  
They all go in the forest to feast another year.

Composition (write the note name in the spaces for each 4 beat measure)
