Dear Colleague,

I am pleased to write this letter of recommendation for Angela Kadow. Mrs. Kadow has been a long term substitute for music class for the 21-22 school year at Falls-Lenox Primary School. During this time, Mrs. Kadow has done a great job building relationships with students and stepping in as the music teacher. I am writing this letter, because our music teacher will be returning in the fall. She would be an asset to your school for many reasons.

Mrs. Kadow has a solid knowledge of music and how to teach primary age students music skills. While at Falls-Lenox, Mrs. Kadow taught 30 classes each week ranging from first through third grade. Her lessons are creative, as Mrs. Kadow brought a lot of new ideas to the class this year. Mrs. Kadow's lessons are also well planned and engaging. She is also great with technology and uses technology often in her lessons to enhance student learning and as at home resources for students. Mrs. Kadow also prepared 2nd and 3rd graders this year for music performances. This was a large undertaking that involved not only ensuring that the students were musically prepared to perform, but also working out the operations and logistics of putting on a concert for parents in the High School auditorium. Mrs. Kadow backwards planned to ensure that both concerts went smoothly, which they did. From song selection to the movement during the show, the students had a great time, and parents enjoyed the performance. Mrs. Kadow has a can-do attitude and is patient, conscientious, organized, and forward-thinking.

Mrs. Kadow is a very responsible, hard working, positive, and dependable individual. Her instructional effectiveness, willingness to collaborate, upbeat personality, relationships, and professionalism positively affect the students she guides. If you need more information, please feel free to contact me.

Sincerely,

Lisa M. Williams
